ATOMIC CLEAN

Capability Statements

Date: August 2022

Atomic Cleaning is a Brisbane based commercial cleaning company with over 25 years' experience in the construction industry.

Atomic Cleaning Company is a female owned and operated firm providing the highest level of cleaning services.

With an outstanding attention to detail at every stage of the process, our team is committed to great results and client satisfaction through detailed controls and consistent communication with our Client's.

Our dedicated team has experience across the entire construction spectrum including residential renovations, commercial and domestic high rise buildings, factories, office and retail fit outs.

Atomic Cleaning believes that every Client and Project is unique, as are our cleaning solutions. Atomic Cleaning creates a customized approach to cleaning so to work with our Client's needs and budgets.

Who Are We?

Meet The Director

Rose Webb

Rose has worked on some of the biggest projects across South East Queensland including Star Casino, Jewel Gold Coast, The Calile Hotel Fortitude Valley. With over 25 years' experience in high rise construction cleaning and sanitation Rose is the driving force in educating not only our Team of workers but our Client's on innovative and cost saving cleaning solutions.

Rose's attention to detail exceeds most in the industry, and her ability to work closely with Builders and site trades ensures that a high standard of product is achieved for both our Client's and the end user.
